25X1

On 3 and 13 March 1954 [REDACTED] Mahlwinkel airfield was in such a poor condition that take-offs and landings by aircraft would be impossible. No construction material was hauled to the field. There were no longer any rumors on intended improvement work at the field.

25X1

Comment. For a long period of time, information has been received stating that the landing field at Mahlwinkel airfield was in poor condition and, therefore, would not be suitable for take-offs and landings. During January 1954, rumors had it that the airfield was to be improved.
